FROM THE AMERICAN PEOPLE

The Coral Triangle Regional Business Forum was created by Coral Triangle Initiative on Coral Reefs, Fisheries and Food Security (CTI-CFF) and other development partners to engage with the private sector in creating innovative business solutions that are both economically profitable and environmentally sustainable.

- **Coral Triangle Sustainable Marine Tourism Conference**

This conference brings state of art of the themes of best practices for responsible tourism, private sector leadership, the Coral Triangle as a sustainable marine tourism destination, and sustainable marine tourism for communities. The conference will engage industry leaders, policy makers, eco-tourism practitioners, researchers to share experiences and develop responsible marine tourism opportunities in the Coral Triangle region.

- **Coral Triangle Marine Tourism Investment Forum**

This activity consists of two important events, Investment in the Coral Triangle and Coral Triangle Travel Mart. This activity is a strategic Buyer-Seller Meetings of government representative of Coral Triangle countries, Industry Associations, Chambers of Commerce and trade promotion bodies. There will be one-to-one meetings between business delegates and interested participants.

- **Coral Triangle Marine Tourism Expo**

There will be exhibitors of eco-tourism, dive operators, resorts, live aboard, cruises, surfers, airlines, yacht, travel agencies, hotels, restaurants, home stays operators, local government, and tourism association.
